

Welcome to the Siouxland District Health Department (SDHD) Website. SDHD is the public health agency for Woodbury County. [Public health](#) promotes and protects the health of people and the communities where they live, learn, work, and play by trying to prevent people from getting sick or injured. Public health also promotes wellness by encouraging healthy behaviors.

SDHD's mission statement: ***"Leading a collaborative effort to build a healthier community through improved access to health services, education and disease prevention."***
for All

Vision statement: ***"A Healthy Community***

Report Foodborne Illnesses!

Feeling queasy? ☐ Call, it's easy! ☐ Call 1-844-IowaSic

Do you feel like you are sick because of food that you've eaten? Report it using a new hotline 1-844-IowaSic or call us here at Siouxland District Health Department at 712-234-3908.

Millions of people get food poisoning each year and approximately 125,000 are hospitalized in America because of these illnesses.

By reporting your illness, you help public health officials investigate and identify sources of the illness and prevent others from getting sick!

Did you know that SDHD does free testing for STDs? We also treat many STDs for free as well.

Click [here](#) to find out how to get tested.

Temporary Food Stands ☐ ☐

Temporary Food Stand season is upon us! If you are thinking about setting up a temporary food stand for an event this summer, such as RAGBRAI, [click here](#) for more information about licensing and food stand regulations in Iowa.

Get Public Health Information and Updates ☐

[Siouxland District Health Department is on Facebook](#) and Twitter @SiouxlandHealth. "Like" or "Follow Us" so you can get timely public health information and updates on disease outbreaks, foodborne illnesses, programs and services, and general health information.
