YOU MAY QUALIFY IF YOU:

- ◆ Have a stable, chronic condition
- ◆ Require nursing visits approximately 1 to 2 times a month. An example may be for supervision of or setting up medications
- ◆ Meet financial guidelines and follow a sliding fee scale
- ◆ Do not require intense skilled home health services
- ◆ Must live in Woodbury County

Your care will be in good hands. We will help you keep connected with your physicians, pharmacists, other medical services, and community resources.

Homemaker/Personal Care Program

The Homemaker/Personal Care Program provides services to clients in their homes to maintain and prolong their ability to remain independent at home. Services are provided to eligible Woodbury County residents using a sliding fee scale.

Examples of services may include:

- ◆ Bathing and hair care
- ◆ Assistance with getting in and out of bath tub/shower
- ◆ Assistance with laundry
- ◆ Light housework to include dusting, vacuuming, cleaning of bathrooms and kitchen

Services are provided by Direct Care Workers under the direction of a program case manager. Services provided are based on client need and program admission criteria. Referrals are accepted from physicians, hospitals, families directly, social service agencies and home health providers.

Experience You Can Count On

We have a team of dedicated and caring health professionals that includes: Registered Nurses, Direct Care Workers, and Interpreters. All of our staff have extensive health care experience. We have been providing public health and personal health care services to Woodbury County residents for over 50 years.

Mission

To create a healthy community through health education, health protection, and disease prevention.

Vision
